No in-person worship this week

Due to the chiller installation and taking place over the coming days, we will not hold in-person worship services at the Cathedral this week. The Tuesday noon service will be live-streamed and we will worship at the Church of Our Merciful Saviour next Sunday (see article below for more details). We will provide an update on the chiller installation and its impact on future events once we have a clearer sense of how long the installation will take.

Al Masri Family Update

Ali Al Masri, 16, was shot and killed on July 8 outside of the Guiding Light Islamic Center on Six Mile Lane. Ali was the youngest child of Mohammad Faisal and Fryal Al Masri who, together with Ali's siblings, came to America from Syria a little over eight years ago. Our congregation helped to sponsor the Al Masri's immigration in partnership with Kentucky Refugee Ministries. Many members of the congregation were intimately involved with their resettlement and became close with Ali and his family. We offer prayer for the repose of Ali's soul, for his family as they mourn, and for those members of our parish family who are grieving his death.

Christ Church to worship at Our Merciful Saviour next Sunday, July 28

The replacement of the chiller at the Cathedral will begin on Monday, July 22. The firms responsible for the installation estimate that this process might take up to eight business days, during which time we will be without air conditioning. This time frame includes Sunday, July 28. Since we may be without cooling that Sunday, Fr. Tom Miller-Price has graciously offered to host our congregation for worship at the Church of Our Merciful Saviour (473 S. 11th St). Their Sunday service begins at 11 AM. They will also be having a picnic that day, so plan to stay after worship to grab a bite and share in the fellowship. The congregation from St. George's will also be there, so it will be a festive gathering. We are grateful for the hospitality of our siblings in Christ and look forward to worshipping with the good people of OMS on July 28.

Visit "God at 'I' Level" Art Exhibit

By Amber Noel, The Living Church
Christ Church Cathedral is pleased to host the "God at 'I' Level" gallery by photographer Azher Imtiaz.

Since 2016, Asher Imtiaz has been telling stories of recent immigrants to the United States, mainly refugees and asylum seekers, through photography. This calling has only become clearer against the backdrop of anti-immigration rhetoric and the politics of fear. "The only way to combat 'the other' mentality is to share stories," says Imtiaz. "Immigration has been a major divisive issue among Americans in the last few

years and has created fear among many. We sometimes forget that behind every issue is a person we can get to know and honor and love. That God is at eye level.

"Ansel Adams once said that a good photograph is 'knowing where to stand.' While this is often interpreted as finding the perfect geographic location to capture light, I choose to make it political. Fitting my contemporary work into the history of photography, 'knowing where to stand' becomes a statement of conviction in our contemporary society. We need to live a life of sustained attention. And awareness should move toward responsibility and action."

"God at 'I' Level" takes similar themes and subjects and focuses specifically on confronting the all-powerful "I" in individualistic culture, engaging human eyes to get beyond the alienating self-absorption that leads to unjust attitudes and practices: "God is looking back at us. God is at eye level. Looking in human eyes is an opportunity to love God. Christians

in the U.S. need this reminder—especially when some leaders say and do things that are dehumanizing.”

Copies of the gallery program are available throughout the nave.

Parting words from Amanda Chandler, Parish Coordinator

It has been an absolute pleasure working with staff here at the Cathedral, and I want each of you to know that I will miss you tremendously! Friday, July 5 was my last day at the Cathedral, but I will be back helping with the Room at the Inn in January 2025. Matt, you've been the best boss that I have ever worked with, your kindness, humor, positive attitude, support, character, and demeanor is nothing short of what it takes to be a Dean, an amazing boss, and a true friend. Tom and Denise, thank you for both for being a listening ear whenever I needed to vent, laugh with it, and just have fun at work. I will miss all of our talks and just silliness in the office. Working with you both was great, and I appreciate you both being my work therapist when I needed it the most. Mark and Eva I'm going to miss sharing time with you at our Friday staff meetings, and swallowing down donuts and coffee as we laugh and pray during the meetings. Kay thank you so much for everything, for being a great listener to me

and our kids! Aaron and Aubrey absolutely love you and when I told Aaron I was leaving, he got sad and said “You mean, I won't see Ms. Kay anymore”. I quickly said yes, you will because I will bring you back to see her from time to time. Jan Margerum, thank you for being you, for being supportive to me and my family when we lost our father in law, and just for being kind. Your generosity, and just genuine concern and love for people can be seen and felt from others. Carolyn VanZant, thank you for your wisdom shared to me, and just your ability to uplift me and others is truly remarkable! George, you are so funny, thank you for stopping by the office and having little coffee talks with me. I pray that God blesses you in good health and prosperity! Dwight, you have been my partner in crime, and I am truly going to miss your laugh, our talks, and your willingness to help others is not always easy, but it's my prayer that God does amazing things in your life I feel like I may be missing someone, and if I am please charge it to my head and not my heart. I love you guys! Thank you for being you and thank you for accepting me as your Parish Administrator for these last few years! Please keep me in your prayers as I transition into a new role of being a lab assistant.
